

# AUTOMATION FAIR

Philadelphia, Pennsylvania, United States • November 14–15, 2018

See how the latest technologies can have a direct impact on your business through educational sessions, hands-on labs and exhibits from Rockwell Automation and members of the PartnerNetwork™.

## Discover the Solutions That You Are Looking for in One Place

Attending the Automation Fair® event equips you with innovative strategies to help you become more globally competitive and productive with The Connected Enterprise.

- Gain in-depth industry knowledge and earn PDH credits by attending hands-on labs, technical sessions and forums
- Experience the latest technologies and solutions at exhibits from Rockwell Automation and our PartnerNetwork™ members
- Network with industry experts and peers

The Automation Fair® event is the premier annual event hosted by Rockwell Automation.
